

From Area Seats *to Open Seats.*

A phased transition that converts the “extra” geographic seats to open district-wide seats as each one reaches its natural re-election — preserving one anchor seat per Area, freeing the rest. No member displaced.

All 9 seats tied to an Area. Area IV holds 4 — three of those are "extras" above the one-per-Area floor. Unopposed races are routine.		Kells, Ginsberg, Coursey all unopposed ; terms extend through 2030. No conversion possible this cycle.		Frank's Area IV seat converts — the first open seat . Green (II) and Durand (V) on the ballot as area anchors.		Evans, Hansen, Hesselbein up — all designated anchor seats , so they remain area-tied. 1 open seat holds.		Kells (II), Ginsberg & Coursey (IV) reach re-election and convert . All 4 open seats now in place .		Hybrid model in place . One anchor per Area + four open district-wide seats. Same board size. No member displaced.

Note — Board-member names are shown to indicate which seats fall up for re-election in each cycle under the current roster. This is not a statement that any individual will or will not seek re-election — only when each seat is structurally eligible for conversion. Authorized under Wis. Stat. § 120.02(2)(a); petition reviewed by counsel.
